International Shipments Return Form

To continue with the high standards that we have set and our customers are accustomed too, we ask that you help us by completing this form as accurately as possible. This allows us to continue to improve your experience and return process.

Even though we are confident in our products, we offer a **60-day return policy** for your convenience. If you are dissatisfied with your purchase we'll gladly accept any return that follows our return policy. Please review our complete return policy at <https://www.helikon-tex.us/exchange-returns/>. To be able to process your refund, it is necessary to **complete the following checklist:**

Packing slip attached, quantity and return code entered on the Packing Slip (select the two letter code from the list to the right*)

I have read and agreed to the Return Policy found at <https://www.helikon-tex.us/exchange-returns/>

The item is in original/new condition, have original packaging and tags attached [not applicable for a warranty claim]

I understand that the provided return label cost (if used) may be deducted from my refund (\$10-\$25 depending on shipping weight and distance.

Exact cost can be obtained by contacting our customer service)
[not applicable for a warranty claim]

Customer comments:
